

2025 Midwest Affordable Housing Management Association Scholarship Application

Please read all materials carefully before submitting an application. Incomplete applications will not be considered. MAHMA is a non-profit professional association representing owners and managers of affordable housing throughout Indiana, Illinois, Michigan, Minnesota, Ohio and Wisconsin. MAHMA is a powerful, unified voice whose objective is to provide an improved quality of life for the residents of affordable housing through management, operation and preservation of existing housing units.

Scholarships

MAHMA will award three educational scholarships of \$1,000 in 2025 to qualified applicants as determined by the Scholarship Eligibility requirements listed in this packet. These scholarships are to be used for post-secondary education including: colleges, universities, professional schools, vocational schools and technical schools.

These scholarships are intended to provide educational and career opportunities to deserving individuals living in affordable housing units or working in the affordable housing industry and their family members. Considering the many challenges facing potential scholarship applicants, it is the goal of MAHMA to award scholarships based on the applicants' demonstrated qualities of scholarship, motivation, character and leadership.

Scholarships to academic colleges or universities will be funded for the academic year fall 2025 through spring 2026. Scholarships to technical or vocational institutions will be funded for the next class session following the award date. Scholarships must be used for tuition and will be paid directly to the institution. In the event that the award will interfere with other financial assistance other arrangements will be made. Funds will not be disbursed directly to the scholarship recipients.

Eligibility

Applicants must be a resident in good standing of an affordable property (including, but not limited to, Section 8, Section 202, etc.) of a MAHMA member company. Membership will be verified by MAHMA staff upon receipt of scholarship application. Residence must be verified by property manager. Applicants must be at least a high school senior. A student is eligible if they are a dependent child of a MAHMA member property employee. Applicants must have been accepted to at least one institution prior to applying.

Criteria

Applicants must show proof of acceptance for post-secondary education prior to distribution of scholarship funds. High school transcripts, GPA (3.0 or higher), work history and SAT/ACT scores will also need to be submitted with the application. In addition, the applicant is expected to have a strong background in community service, volunteerism and extracurricular activities (including non-school sanctioned activities). The applicant must submit one essay typed and double spaced of 1,000 words or less describing education and career goals, reasons for seeking the scholarship and a description of accomplishments. Art portfolios or DVDs of artistic talent can be submitted in addition to the essay if relevant; however, they will not be accepted in lieu of the essay. The applicant must submit three letters of recommendation along with the application. The applicant must be a member of a household in good standing at the community in which they reside. This must be verified by the property manager. In the event the applicant is a family member of an employee at the property, employment in good standing must be verified by the employee's direct supervisor.

Application Process

Applications must be received to the MAHMA offices no later than May 31, 2025. Qualifying applications will be reviewed by the MAHMA Scholarship Committee comprised of members of the MAHMA Board of Trustees. The Committee will issue decisions no later than June 30, 2025. Winners will be contacted immediately. The scholarship will be paid out following verification of acceptance at a post-secondary educational institution prior to the beginning of the academic years.

Application Review & Scoring

Applications will be screened initially for eligibility requirements and completeness. Each qualifying application will then be individually reviewed and scored by members of the judging panel. Each panelist will have a score sheet to ensure all applicants are judged equally. Points will be assigned to each section and totaled. Each committee member will review each application and provide a score. The scores will be averaged. Ties will be eliminated by committee review. Top applications will be reviewed as a whole before final selections are made. Additional consideration will be given to current college juniors and seniors.

Following initial scoring the committee will meet to discuss the top applicants. At that time each committee member will review the applications and determine the three winners.

Committee make up is determined by the MAHMA Board of Trustees. The Scholarship Committee will be made up of 5 members of the MAHMA Board of Trustees comprised of members from various states. The committee will be appointed by a proper motion of the Board.

Each application can achieve a maximum score of 100 based on the following point totals.

1. Community Service/Volunteerism, Extracurricular, Employment – Maximum 30 points
2. Essay – Maximum 25 points
3. Letters of Recommendations - 15 points each, Maximum 45 points

Scholarship Pay Out

Scholarships will be paid directly to the educational institution to be used directly for tuition. However, in the event that the scholarship funds will negatively impact the student (FAFSA, loss of alternate scholarship, etc.) other arrangements will be made with the award winner. Scholarships must be used by the date specified in the award letter. Previous winners may reapply providing they still meet the scholarship criteria.

Revocation

Should the applicant not meet the terms of the scholarship previously stated in this packet of materials the scholarship is subject to revocation. Additional terms for revocation include: committing a felony, drug possession, failure to attend a post-secondary institution and failure to use the scholarship within the designated term of use.

Additional Scholarship Opportunities:

Please know that by virtue of being eligible to apply to the MAHMA Scholarship Program, you are also eligible to apply to the NAHMA Scholarship Program. These are two separate programs and while the requirements are similar you **MUST** file a complete application with each program to be considered. The MAHMA application is a "hard paper" application & the NAHMA application must be filed on-line. Please go to nahma.communityforce.com for more information.
